(916) 263-0916 FAX (916) 263-0959

**Mia Marvelli**
Associate Architect

Mia Marvelli came to the California Building Standards Commission (CBSC) in March 2012 as an Architectural Associate. Having long pursued her architectural license, Mia accomplished that goal in January of 2014. In June of 2014 she was promoted to Associate Architect. Her primary duties are to assist with the adoption, approval, and publication of the California Building Standards Code, California Code of Regulations, Title 24. In addition, she participates in rulemaking for the development of the California Green Building Standards Code (CALGreen).

Mia joined the CBSC with 20 years of State service; 14 with the Department of Water Resources (DWR) and 6 with the Department of General Services, Real Estate Services Division (DGS/RESO). During her tenure with DWR she developed construction drawings for new facilities supporting the state aqueduct. While with DGS/RESO she collaborated with various state agencies including the Department of Agriculture, California Highway Patrol, and Department of Motor Vehicles designing new and remodeling existing facilities.

Mia is a California native, born and raised in Sacramento. In her spare time she can be found with family enjoying the outdoors, birding, gardening, and playing soccer.
